Your Eyes and Bargain Prices

Optical service at bargain prices is the most expensive type of service in the end. For one must consider the strain on one's eyes and nervous system due to wearing inferior lenses and in most cases incorrect lenses. For one cannot rush through an eye examination and still do correct and satisfactory work.

Before lenses are prescribed we make two examinations, with a third test after you wear your lenses two weeks to safeguard your eyes. Don't delay. Have your eyes examined now. All work guaranteed one year.

Herald and News Offer Still Open to Real Workers

(Continued from Page 1)
subscription. And in addition to these regular subscription votes, 100,000 SPECIAL votes are allowed on every \$24 worth of subscriptions turned in.

Therefore, by the use of a little mathematics, it can easily be figured that a mere handful of subscriptions at this time, the result of a little effort among your friends, relatives and acquaintances, would secure of the race and in line for a prize of \$1375.

Worth trying for, to say the least—don't you think?

Give Value, Too

But don't wait—start now!

The beauty of this campaign is that while you win big, you give value received for everything you sell. Many families in Torrance and Long Beach and many more throughout this section are subscribers. They subscribe and pay for the Herald or News because they want it, because they get value received and, what is of much greater importance, because it is supposed to be in every home in this section.

Products for which there already is demand among the families throughout this section. You do not encounter the sales resistance usually found in selling a product of a newspaper. It is a local paper, and you are selling a product that should be in every home in this section.

You will find the Campaign Department in the Herald building, Torrance, open every day from 9 a. m. until 7:30 p. m. The telephone number is Torrance 200.

Below is given the names of those who have consented to go ahead in the Torrance Herald and The Long Beach News' \$5000 Automobile and Prize Campaign, and who thus far have turned in at least one subscription.

Doesn't it strike you as being rather odd that there are not more—more of the type that appreciate the good things of life, willing to put forth a little effort to better their present station in life?

If your name is not listed below, nor the name of some friend or relative, and you have any reason to believe it should be, kindly notify the Campaign Department at once. Be sure that YOUR name is listed among the contestants before May 26 if you expect to be among the Prize Winners at the close of the race.

Is Your Name Here?

If Not, Call Campaign Manager at Torrance No. 200

Name	Votes
D. W. Zacheisz	5,000
Albert Bartlett	5,000
Florence Weber	5,000
Annor Wilson	5,000
Joseph Stevens	5,000
D. W. Quigley	5,000
John H. Gatz	5,000
Mrs. B. M. Anderson	5,000
Nyla Tansey	5,000
Mrs. Josephine Haworth	5,000
W. J. Balmer	5,000

If your name is not here, and if you would like to share in the big \$5,000 prize that is to be cut June 21—why wait longer? Send in your name today. Don't wait. Get busy!

A large group of Harbor City folks enjoyed a grunlion hunt Saturday evening.

Mr. and Mrs. A. F. Welton and Mr. and Mrs. J. O. Stalcup attended the Nonpareil dinner at Kirby's Cafe Saturday evening, and later enjoyed an evening at cards at the home of the hosts, Mr. and Mrs. W. A. Speckler, of San Pedro.

Calder Is New Chief; Leonard City Engineer

Trustees Accept Resignations of Incumbents and Name Successors

(Continued from Page 1)
never mixed in Torrance politics and a citizen who is obligated by no former political affiliations or connections to have in mind a person possessed of these qualifications—a man who is honest, capable and just, and a resident of Torrance. I take great pleasure in moving that G. M. Calder be appointed a police officer to serve as acting city marshal until an ordinance may be passed making him permanent marshal, and that his salary be fixed at \$225 a month." Trustee Inman seconded the motion and it was unanimously carried.

Mr. Jessup's resignation was then read. The retiring engineer wrote that during the period of re-organization he would be pleased to assist the new board in every manner possible. Trustee Foley moved that the resignation be accepted with regrets and that it take effect June 1. Trustee Wolfe seconded the motion and it was unanimously carried.

Trustee Wolfe then said: "We have in our community a man who would make a competent city engineer. He has been acquainted with Torrance affairs for years. He is an efficient and careful engineer and will give honest and impartial service, I am sure. I move that we appoint Frank R. Leonard engineer and building inspector at a salary of \$300 a month, that he furnish his own automobile, and that he take office June 1."

Trustee Inman seconded the motion and it was unanimously carried. Mr. Leonard will move to Torrance when he takes office, the board has been assured.

Here's Patterson's Letter

Chief Patterson's letter of resignation follows:
"To the Chairman and Honorable Board of Trustees of the City of Torrance:

"Realizing the embarrassing position in which the new Board of Trustees are placed by the agitation of various elements who desire a change in the personnel of the police department and appreciating the earnest efforts they are making to bring about a better feeling of harmony and confidence in the board will among the citizens of Torrance, therefore with an endeavor to assist in bringing about the desired condition, I hereby tender to you my resignation as city marshal of the City of Torrance to take effect at your earliest convenience.

"L. E. PATTERSON."
Trustee Inman moved that the resignation be accepted to take effect May 5. Trustee Foley seconded the motion, and it was carried unanimously.

Brooks Lauds Chief

As soon as the vote was taken Trustee Brooks said: "I voted to accept the resignation of Mr. Patterson, but I did so with regret. He has been a competent and efficient chief of police and has earned every dollar of the \$300 a month we have paid him. Why the board fixed this year's budget we estimated fines from the recorder's court for the year at \$6000. The fines will fall short of this estimate by about \$3000. This is directly due to the inefficiency of the police department. Had the department been efficient the fines would have exceeded the estimate. The public is not in a position to judge the police department fairly, for so many of the best accomplishments of the police are not generally known. So while I voted to accept the resignation I wish it to be a matter of record that I did so with the utmost regret."

Trustee Inman said: "I believe Mr. Brooks' sentiment is that of the entire board. We have no feeling of animosity for Mr. Patterson and it is the sense of the board that they accept the resignation with regret."

Mrs. Ellen Rundell Claimed by Death

Mrs. Ellen A. Rundell, 34, of 1917 218th street, passed away April 27 at Banning. Death was due to lung trouble.

Mrs. Rundell, a teacher in the Torrance Elementary School, came to Torrance one and one-half years ago with her husband, Wilton S. Rundell, and a small son, who survives.

Rev. F. A. Zeller conducted funeral services at the Stone & Myers chapel Monday afternoon. Interment was made at Roosevelt Memorial Park.

Babcock's Case Nears Climax; Arrests Loom

(Continued from Page One)
ment, concerning my position in the matter.

"First I want to express my appreciation to Mr. Post particularly and to the directors of the bank for their patience, kindness and help extended to me since this matter was revealed. I also want to thank my many friends who have offered to help me. "I am confident that every cent of the money will be repaid to the bank by the person who received it and myself. In any event the bank is amply protected by my bond and will not lose a dollar. "I want to earnestly assure everyone that I did not personally receive or use one penny of the money involved, but that all of it was obtained and used by another person, not in any way connected with the bank.

"L. V. BABCOCK."

Cleaner Social Life Urged by Torrance Boys

'Street Sweepers' Adopt Moral Code and High Aims

The spontaneous organization of the "Street Sweepers" at the Torrance High School will be perpetuated in an organization dedicated to high moral standards among high school students.

Confronted with a need of money to purchase equipment for the baseball team, several lads who acted as "street cleaners" during boys' week staged a dance at the Women's Clubhouse last Friday night. Adults who were present were struck by the excellent deportment prevalent at the dance and suggested that the organization be made permanent.

The boys took up the idea and immediately perfected a temporary organization headed by Tom Dougherty and Tom Jones.

Here Are Aims

The aims of the organization, which will be named the Street Sweepers, are as follows:
To develop a perfect manhood; to develop a respect for women; to develop a greater community life; to develop a clean social life in Torrance High School.

Charter members of the organization are: Dale Merritt, Thomas Dougherty, Claude Mills, Vincent Stewart, Peary Quigley, Tom Jones, Chester Hershman, Russell Roberts, Harold Cook, Jack Reeve, and Forrest McKinley.

Memberships are being taken and the boys declare it their intention to give a well-ordered social dance once a month. Activities of the club will be under advisement of the boys' work committee of the Rotary Club and Principal Herbert Wood, although the spirit of the boys, according to those who have discussed the organization with them, is such that little adult supervision will be necessary.

Refuse to Buy Tract

Trustees Turn Down Dominguez Playground Offer of \$12,500

SAY PRICE IS TOO HIGH

Brooks Alone Favors Purchase of 3 Acres on Carson St.

The new Board of Trustees did its first economy stuff Monday night. Acting on a request from the Dominguez Land Corporation that an answer be given promptly regarding the city's desire to buy for playground purposes the three acres at the corner of Carson street and Plaza del Amo for \$12,500, the board voted against the purchase.

Trustee Brooks alone spoke a word in favor of the acquisition of the property. He declared it ideal for playground purposes and said that the trees on the land could not be duplicated for the cost of the property, and suggested that the city buy it now because "it can never be bought as cheap again."

Mayor Dennis said: "I am not opposed to parks and playgrounds. But I regard this site as a poor location for a playground. Besides, the price is too high."

The audience applauded Mr. Dennis when he spoke of the price. Trustee Foley, Inman and Wolfe went on record as against the purchase of the land, all maintaining that the price was too high and contending that when the city buys a playground a larger piece of property should be acquired.

Local Boy in Semi-Final of Oratory Test

A chance for Torrance High School to take a "place in the sun" is offered in the semi-finals of the oratorical contest to be held at Long Beach Poly High Friday night.

Tom Jones, winner of the district contest, will represent Torrance, Redondo and Wilmington, and will meet some strong competition.

William Fennell of Long Beach came within an ace of being named Pacific southwest representative to the national finals in Washington in 1924. He lost to Don Tyler, who was awarded the national championship that year by a narrow margin.

In 1925 Fennell was defeated by Gregson Bantzer of San Pedro, who will also orate Friday night.

Those who have heard Tom Jones' oration feel sure he has a chance to continue on his journey to Washington, but a large rooting section is desired to give him the support he deserves. Every citizen of Torrance is urged to attend this contest, as it is a means of making a name for the high school and city. The students of T. H. S., as well, are requested to be present to root for Tom as he makes this great effort to place in the finals.

Nominations Made For Officers of The Women's Club

Nominations for officers of the Torrance Women's Club were held Tuesday at the regular meeting of the organization, and resulted in the following tentative ticket: President, Mrs. J. S. Lancaster; first vice-president, Mrs. Joe Stone; second vice-president, Mrs. Brady Wolfe; third vice-president, Mrs. Frank Miller; secretary, Mrs. W. J. Neelands; treasurer, Mrs. P. G. Binney; corresponding secretary, Mrs. Clara Curtis; federation secretary, Mrs. Willis Brooks; auditor, Mrs. Isabel Henderson; directors, Mrs. George Neill, Mrs. J. W. McMillan, Mrs. R. R. Smith. Election will be held Tuesday, May 18.

John Merriam Is Paralysis Victim

John A. Merriam, 65, passed away Wednesday evening at his home at 1229 Arlington avenue, after an illness of four days. Death was due to an auto-intoxication from paralysis.

Mr. Merriam, who was born in Indiana, came to Torrance two years ago with Mrs. Merriam, to whom he was married in Logansport, Ind., in 1887.

Surviving Mr. Merriam are his wife, Emma M. Merriam, and one son, J. C. Merriam, also of Torrance. Services were conducted at the home this morning by Rev. B. H. Lingens. Cremation took place at Inglewood under the direction of Stone & Myers.
